#### **F6645 PRINCESS PAVILION**

The minutes of the meeting held on the 13th April 2022 were discussed.

It was proposed by Councillor Eva, seconded by Councillor Robinson and

**RESOLVED** that the Council migrate the catering services in-house.

#### **F6646 SHIPS AND CASTLES AND LEISURE STRATEGY**

The Chair updated on the current position and advised that further correspondence from Cornwall Council would be considered later in the meeting. She also referred to additional papers submitted by Pendennis Leisure CIC and requested that they report on those. Matthew Thomson for the CIC reminded the Council that there were three community aspirations from extensive local consultations (a) preserving the headland for community leisure; (b) continue with a leisure centre at Ships and Castles, and (c) work to secure a new leisure facility for Falmouth. These were a clear community mandate and were the aims taken on by the CIC. These would be rechecked with the community at an upcoming planned event. He outlined the proposed operating model for the site, which would not be breakeven in the short-term and would require capital investment. There would be a significant demolition and site remediation cost if the leisure centre building was removed. There was also an ongoing cost whilst the site was mothballed. It was noted that Cornwall Council would not require overage nor covenants on asset transfer. The CIC requested the Town Council to have the asset devolved and to work in partnership with the CIC to enable the CIC to provide the leisure service.

A full debate ensued and Pendennis Leisure CIC, the Responsible Financial Officer, and the Town Clerk responded to members questions. The Council were advised that there was

a high level of financial and reputational risk regarding the devolution. There was insufficient in-house capacity nor expertise to assess business plans, undertake surveys, and condition assessments. The capital contribution from Cornwall Council as part of the formal tender process was no longer available. The wider headland devolution could be treated in isolation but would entail an ongoing revenue cost from the Town Council. The request to identify the asset as one of community value had not yet been registered with Cornwall Council and was pending clarification.

It was proposed by Councillor Robinson, seconded by Councillor Jewell and

**RESOLVED** unanimously that the Council be recommended to further explore the possibility of Cornwall Council devolving the Ships and Castles site, as well as the wider headland area, to the Town Council, and/or progress the registration of the Ships and Castles Leisure Centre, Car Park, and wider headland area as an asset of community value.

It was noted that meetings were to be held with Cornwall Council for the Town Council, the local ED Cornwall Councillors and Pendennis Leisure CIC. Cornwall Council should be requested to amalgamate those for a joined-up approach to be pursued.

**F6647 RISK ASSESSMENTS**

The risk assessments for Cultural Services and Princess Pavilion were not yet available

**F6648 2022/23 YEAR END FORECAST**

Not available.

**F6649 EXPENDITURE AND PETTY CASH**

It was proposed by Councillor Clegg, seconded by Councillor Jewell and

**RESOLVED** that that the expenditure and Petty Cash schedules for February and March 2022 be approved. (attached)

**F6650 EXCLUSION OF THE PRESS AND PUBLIC**

It was proposed by Councillor Robinson, seconded by Councillor Clegg and

**RESOLVED** that in view of the confidential nature of contractual matters and personal information, it is advisable, in the public interest that the press and public be excluded from the meeting.

**Finance & General Purpose Meeting**
