

Agenda Finance and General Purposes Committee

Date 20/01/2025

Time 19:00 -

Explanation

LocationAtherton SuiteChairJ. Robinson

I hereby invite you to attend a meeting of the Finance and General Purposes Committee to be held in The Atherton Suite, The Old Post Office, The Moor, Falmouth on Monday 20th January 2025 at 19:00 hours for the purpose of

transacting the following business.

The meeting will observe the requirements of the Council's commitment to the Civility and Respect Pledge. That is to treat councillors, employees, members of the public, representatives of partner organisations and volunteers with civility and respect in their roles. Behaviour breaching that commitment will not be tolerated.

Yours Sincerely,

Dear Councillor

Town Clerk

1 APOLOGIES

To receive and approve apologies for absence.

2 INTERESTS

To receive declarations of interest in respect of items on the agenda. Councillors are reminded to declare any dispensations granted.

3 MINUTES

To receive the Part I minutes of the meeting held on 2nd December 2024. (1-18)

To follow

7 BUDGET 2025-2026

To approve the 2025/26 draft budget and recommend this to Council for approval - to follow

8 LOCAL GOVERNMENT SETTLEMENT AND LOCAL GOVERNMENT REFORMS

Devolution White Paper The Government are consulting on the Devolution White Paper that will see local government reforms across the UK and impact the Town and Parish Council sector. There are several critical measures to enhance neighbourhood governance, simplifying processes to set up parish and town councils, promoting civility and respect, allowing hybrid council meetings where local communities see fit, fairer access to funding, and a tailored audit framework.

Remote Meetings the National Association of Local Councils have supported the Government's intention to reintroduce remote meetings for Councils. The Town Council had responded positively to this consultation.

Joint Panel on Accountability and Governance has met to begin reviewing proper practices for smaller authorities annually. There are potential changes to the reporting of financial information by smaller authorities, and the Annual Governance and Accountability Return form.

Standards Regime is being reviewed and the Council has responded to the consultation. Councillors are recommended to respond individually as well. The Government considers that the current local authorities standards and conduct regime is in certain key aspects ineffectual, inconsistently applied, and lacking in adequate powers to effectively sanction members found in serious breach of their Code of Conduct.

9 NATIONAL ASSOCIATION OF LOCAL COUNCILS - OPEN LETTER TO ALL COUNCILS

Attached is the Chair's open letter to all councils. (38-40)

10 LOCAL AUTHORITY PROPERTY FUND - IMPLEMENTATION OF THE FCA'S SUSTAINABILITY DISCLOSURE REQUIREMENTS

To note the information contained in the correspondence attached. (41-44)

11 NATIONAL ASSOCIATION OF LOCAL COUNCILS - NATIONAL AWARDS

The Council has been shortlisted for three category national awards – Council of the Year, Town Clerk of the Year, and Climate Response of the Year.

12 LLOYDS BANK NOTIFICATION

To note the correspondence from Lloyds Bank notifying an interest rate decrease. (45-46)

13 CORNWALL COUNCIL TRADING CONCESSIONS - GYLLYNGVASE CAR PARK

The Planning and Licensing Committee recently received notification of the proposal by Cornwall Council to permit a 'pop-up' concession at this site. Give that the site is part of the Devo4 discussions with Cornwall Council and given the public reaction to the proposal the Chair has requested that this Committee consider the matter and respond to Cornwall Council.

14 FALMOUTH INFORMATION SERVICES FOOTFALL DATA

To note the footfall data for 2023 and 2024. (47)

15 EXPENDITURE AND PETTY CASH

To approve the expenditure to date and endorse the petty cash schedules for November and December 2024. (48-66)

16 EXCLUSION OF THE PRESS AND PUBLIC

To consider the exclusion of the press and public in the public interest for the following matters as they involve the consideration of confidential information in respect of property, funding and contractual matters.

FALMOUTH TOWN COUNCIL

Minutes of a meeting of the Finance and General Purposes Committee held in the Atherton Suite, The Old Post Office, The Moor, Falmouth on Monday 2nd December 2024 at 7.05 pm.

Present: J C Robinson (Chair), D E Clegg (Vice-chair), L D Coley, D V Evans BEM,

A J Jewell CC, and T M Pearce.

Councillors D W Saunby CC, J M Spargo, and Z Young also attended.

In Attendance A M Williams (Town Clerk)

R N Thomas (Responsible Finance Officer)

W Wong & H Richards (Grant applicants)

F6973 APOLOGIES

Apologies for absence were received and approved for Councillors Eva (holiday) and Rowe (Cornwall Council business).

F6974 <u>INTERESTS AND DISPENSATIONS</u>

None declared.

F6975 MINUTES

It was proposed by Councillor Robinson, seconded by Councillor Coley and

RESOLVED that the Part I Minutes of the meeting held on 21st October 2024 be confirmed as a correct record of the proceedings and signed by the Chair.

F6976 GRANT APPLICATIONS

It was proposed by Councillor Jewell, seconded by Councillor D V Evans and

RESOLVED that pursuant to section 145 of the Local Government Act 1972, the Starlite Theatre Company be awarded a grant of £1000 towards the provision of children's performances in 2025.

It was proposed by Councillor Jewell, seconded by Councillor Robinson and

RESOLVED that

- (i) pursuant to section 142 of the Local Government Act 1972, Falmouth Citizens Advice be awarded a grant of £1000 towards the provision of its Falmouth advice centre in 2024/2025.
- (ii) pursuant to section 142 of the Local Government Act 1972, Falmouth Citizens Advice be awarded an annual grant of £1000 towards the provision of its Falmouth advice centre from 2025.
- (iii) the Council provides free of charge daytime venue, where it is able to, to facilitate Falmouth Citizens Advice meetings with clients with access needs.

It was proposed by Councillor Coley, seconded by Councillor Clegg and

RESOLVED that pursuant to section 145 of the Local Government Act 1972, the Falmouth Classics Association be awarded an annual grant of £1000 towards the provision of the Falmouth Classics Regatta.

It was proposed by Councillor Robinson, seconded by Councillor Pearce and

RESOLVED that pursuant to section 133 of the Local Government Act 1972, Age UK Cornwall (as the successor to Falmouth Age Concern) be awarded an annual grant of £1000 towards the provision of the Falmouth Age Concern Centre.

It was proposed by Councillor Robinson, seconded by Councillor Coley and

RESOLVED that pursuant to section 11 of the Localism Act 2011, Carnon Carers be awarded a grant of £250 towards the charity's organised events.

The current grant approval schedule and underspend for 2024/25 was noted. The Chair encouraged Councillors to advise community groups within their Wards of the availability of grants.

The Community Chest Fund schedule was duly noted.

F6977 PROJECTS

The Committee noted the following project updates which were duly noted:

Resource

Works currently progressing to programme and to budget, Arts Council Funding application for technical fit out equipment currently in progress. Project completion date 31st March 2025. Leases being created for Source FM occupation and for Café provider, the franchise to be tendered.

Princess Pavilion

Community Ownership Fund works were progressing, solar panel installation complete. Heating Solution progressing with tender awarded. Roof insulation was sufficient and other energy saving works were planned. Replacement doors works instructed and commencing shortly. Auditorium sound and lighting upgrades progressing. Flooring being renovated in January 2025.

Town Vitality Funding

The additionality funding from the Town Centre Masterplan Works had enabled an additional project. There was also additional funding from a further stream of shared prosperity funding. The shop front improvements grant scheme had been well taken up and the application window was now closed. Further social economic and footfall surveys for three years would be undertaken for the town centre.

The Responsible Financial Officer presented the forecast year end position for 2024/25 and with the Chair responded to questions regarding public toilet provision which was duly noted.

The Responsible Financial Officer reported the Community Infrastructure Levy funds received which was duly noted.

F6979 INTERNAL AUDIT REPORT (INTERIM)

The Committee considered the Interim Internal Audit Report.

It was proposed by Councillor Robinson, seconded by Councillor Coley and

RESOLVED that the interim report be received and that the outstanding recommendation regarding the circumstances and limits within which work can be awarded to existing suppliers without recourse to competition be formalised within the Council's Financial Regulations when they are reviewed in 2025 and the decision-making process should be better defined in the scheme of delegation as appropriate.

F6980 NATIONAL EMPLOYERS PAY AWARD 2024

The settlement of the 2024 pay awards for local government services employees (1st April 2024 to 31st March 2025) had been confirmed as an increase of £1290 on all pay points (pro rata for part-time employees) and had been actioned by the Council, this was within the 2024/25 budget. This was duly noted.

F6981 EMPLOYER NATIONAL INSURANCE CONTRIBUTIONS

The Government had announced that the employer contribution of National Insurance would increase from 13.8% to 15% from 1st April 2025. The earnings threshold was also lowered from £9,100 to £5,000 per annum. The Town and Parish Council sector did not qualify under the local authority compensation scheme and the Council would need to budget an additional £57,000 in 2025/26. This was duly noted.

F6982 DRAFT BUDGET 2025/26

The taxbase information, the precept setting pro forma, and Second-homes rebate information from Cornwall Council had been received and were reviewed by the Committee. The Responsible Financial Officer would notify Cornwall Council that the Town Council requested an extension of time to make its 2025/26 precept call, and this would now be notified in January 2025.

F6983 CORNWALL COUNCIL FINANCE BRIEFING AND SECOND HOMES COUNCIL TAX PREMIUM UPDATE

The briefing information from Cornwall Council was duly noted.

F6984 ENABLING REMOTE ATTENDANCE AND PROXY VOTING AT MEETINGS

The Committee considered the Government consultations, and that Councillors would make individual responses thereto.

It was proposed by Councillor Robinson, seconded by Councillor Clegg and

RESOLVED that the Town Clerk responds to the consultation on behalf of the Council supporting the proposals to enable greater flexibility to run formal meetings and affording greater accessibility to the work of the Council for councillors through virtual and hybrid meeting powers and proxy attendance measures providing that suitable regulatory controls were in place.

F6985 FOOD WASTE AND FORTNIGHTLY RUBBISH COLLECTION SERVICE

The new collection service details applicable from March 2025 for Falmouth were duly noted as well as the need for possible changes and charges from the Council's premises.

F6986 HEALTH AND SAFETY 2024

It was proposed by Councillor Robinson, seconded by Councillor Coley and

RESOLVED that the previously circulated Health and Safety Policy 2024 and the Health and Safety Handbook 2024 be approved and adopted.

F6987 BANKING INTEREST RATES

The revised rates of 2.3% and 3.5% on the Council's Lloyds Bank Accounts effective from 2nd December 2024 were duly noted.

F6988 CORNWALL COUNCIL LEISURE FRAMEWORK

The preliminary response of Cornwall Council to the Council's representation were noted and that the Chair of the Cultural Services and Leisure Committee would seek to have an informal meeting of the Committee with Cornwall Council to further explore the issues raised.

F6989 CORNWALL COUNCIL - LOCAL MAINTENANCE PARTNERSHIP 2025-2026

The LMP grant (£564.83) and the SW Coast Path grant (£2555.62) offers were duly noted.

F6990 EXPENDITURE AND PETTY CASH

It was proposed by Councillor Robinson, seconded by Councillor Coley and

RESOLVED that that the expenditure and petty cash schedules for October 2024 be approved. (attached)

F6991 EXCLUSION OF THE PRESS AND PUBLIC

It was proposed by Councillor Robinson, seconded by Councillor Clegg and

RESOLVED that in view of the confidential nature of contractual matters and personal information, it is advisable, in the public interest that the press and public be excluded from the meeting.

FALMOUTH TOWN COUNCIL GRANT APPLICATION FORM

PLEASE COMPLETE **ALL** SECTIONS – note that this information will be published as part of the agenda for the meeting at which is considered.

Name of Organisation: (Please use BLOCK LETTERS)

Kernow Pickleball Club

Aims of Organisation and nature of its activities:

To grow and promote Pickleball for all ages, genders, levels, and abilities by creating and cultivating an environment that promotes enjoyment, health, and social engagement.

What facilities do you currently have or what services do you currently provide?

We currently run 4 sessions in the Falmouth area – Mondays at 10 to 12.00, Tuesdays 10 to 12.00, Wednesdays 10 to 12 & Fridays 1.30 to 3.30 pm

2 sessions in the Truro area – Wednesday evenings 7.00 to 9.00 – Penair School and Thursdays 7.30 to 9.30 at Truro College & 1 session in the Pool area – Monday evenings 7.30 to 9.30 – Evolve Fitness Centre, Pool.

Name and purpose of the Project/Event (if applicable):

Kernow Pickleball – To promote and grow the sport of Pickleball throughout the Falmouth and surrounding area, and to encourage community through inclusiveness and diversity, engagement, social connection, and accessibility for all.

Describe your project (what do you need the money for?):

Kernow Pickleball was formed in around 2018 when 6 friends started playing the fastest going sports activity in the world, those numbers soon increased and Kernow Pickleball club was born. The club now has a membership of over 140 paid members with a further 220 registering interest in the club news.

Even though we have a large membership, unfortunately we don't have our own venue, so we are reliant on local Leisure, University, College and School sports halls. This leads to our sessions and venues, quite changeable at times and we ask a small playing fee from those attending.

We would like to look for some additional funding to purchase some additional equipment as there is quite a pressure on the committee members to make sure we have the required kit at each location to enable play for all. The paddles and balls can be expensive and there is a huge preference to use the correct nets instead of badminton nets. This is the reason for us asking for the additional funding, it would enable us to purchase 4 nets and some additional paddles and balls.

We have an extremely dedicated volunteer committee with various assigned roles, to ensure the smooth and efficient running of the club.

These include -

Chairman
Treasurer
Secretary
Captain
Membership Officer
Coaching Officer
Competition Officer
Funding Raising Officer

The committee meets quarterly to review playing venues, club finances, coaching requirements, plan competitions played both locally and nationally and plan local pickleball festivals.

We held our first Pickleball Festival in April 2024 at The Ben Ainslie Sports Centre. It was such a huge success with attendees from Cornwall, Devon, Somerset, and even abroad, that we intend holding it annually. We took a slight loss on running our first festival, but this was due to the initial set up costs, which we won't have next time.

The club is very proud to say some of its members have won medals over the last few years at the Pickleball English Open held at Telford, and also the English Nationals at Bolton, this is a huge achievement as they play against likeminded pickleball enthusiasts from countries as far afield as India, America and Brazil.

We currently run sessions:

Falmouth area - Mondays, Tuesdays, Wednesdays & Fridays

Truro area – Wednesdays, Thursdays, Sundays and a juniors on Fridays

Pool area – Monday and Saturdays

Playing fee is £5 per 2-hour session for Members and £10 for Non-Members. The playing fee covers the costs of hiring the venue, hence the request from both the Cornwall Council's Community Chest fund and Falmouth Town Council Community Grant to obtain additional equipment for the use of all members and non-members of the club to facilitate everyone to be able to enjoy a game of pickleball.

We would kindly request if we could ask for some additional funding for the following items.

4 x Pickleball Fixed Nets @ £125 = £500

 $6 \times Paddles - Beginners @ £50 = £300$

4 x Dozen Franklin Balls @ £3.50 per ball = £168

Total = £968.00 - 75% Cornwall Council = £726 & 25% Falmouth Town Council - £242

How will your project help the residents of Falmouth?

Between work and family obligations, it can be tricky to make new friends as an adult. At a pickleball club, you'll immediately meet others who share your interest in athletics.

Because you can quickly jump into a fun shared activity, it's easy to break the ice and form a conversation. With regular sessions in the area to play organized matches, you'll have an excuse to return. There's no reason not to get to know one another better!

As a club member, you can even suggest other pickleball social ideas to help you meet other players.

Regular physical activity is key to boosting or maintaining your overall health. Pickleball can improve your coordination, agility, and general fitness. According to the National Council on Aging, older adults who exercise report less pain and fewer health complaints.

Plus, according to Harvard Health, the social benefits mentioned above, can boost your mood and improve your mental health, too!

Your club membership will encourage you to return, which can increase your exercise frequency. Once you begin making friends and social connections, you're almost guaranteed to come back and stay active!

Will this project/event have a positive impact on the environment or biodiversity?

Pickleball, the fast-paced paddle sport that combines elements of tennis, badminton, and ping pong, may seem like an unlikely candidate for inspiring environmental awareness. Yet, behind its seemingly simple and joyous nature lies a powerful message that resonates with players all over the world. As pickleball gains popularity, its impact on the environment is becoming increasingly evident. Here's how this thrilling sport is unexpectedly fostering a deeper appreciation for our planet:

- Reduced Carbon Footprint: Unlike traditional sports that require large arenas and extensive facilities, pickleball can be played virtually anywhere – indoor or outdoor, on a small court, or even in driveways. The minimal infrastructure needed significantly reduces the energy consumption associated with constructing and maintaining sports venues.
- Engagement with Nature: By embracing the great outdoors, pickleball players immerse themselves in the beauty of nature, creating a connection to the environment and the need to preserve it. The sport encourages individuals to seek out natural spaces, embracing the harmony between physical activity and the serenity of the natural world.
- **Sustainable Equipment Choices:** Many pickleball enthusiasts are actively choosing eco-friendly equipment, such as paddles made from sustainable materials and biodegradable balls. By supporting these

FALMOUTH TOWN COUNCIL GRANT APPLICATION FORM

PLEASE COMPLETE **ALL** SECTIONS – note that this information will be published as part of the agenda for the meeting at which is considered.

Name of Organisation: (Please use BLOCK LETTERS)

Falmouth United Youth Football Club

Aims of Organisation and nature of its activities:

We are a local community football club for children aged between 5 and 18. Our aim is to offer a safe and fun platform for children to come and learn and exercise whilst having fun.

What facilities do you currently have or what services do you currently provide?

We currently rent Penryn College 3G for the sum of £15,000 per season. Prices are going up on an annual basis. Our aim is to keep costs at a minimum for our members as we believe that nobody should miss out on being outdoors and having fun due to the expense.

Name and purpose of the Project/Event (if applicable):

Falmouth United Youth FC

Describe your project (what do you need the money for?):

We are a nonprofit organization run by the good people of Falmouth volunteering their time to provide young local children with a platform to come and play football. We have numerous costs to cover that include Pitch Hire, DBS Checks for coaches, training courses for coaches, first aid courses, safeguarding courses, league affiliation, end of season presentation trophies, kit and sports equipment. This is a hard task to manage the budget with costs soaring with inflation. However, the good people of Falmouth and businesses withing the area are always very supportive with sponsorship. The money we are applying for would be used to contribute to the school pitch hire amongst other things such as new footballs and first aid kits.

How will your project help the residents of Falmouth?

We have 300 children currently playing at the club. This means that 300 children are getting off screens and outdoors. We are helping these children become good people through applying the discipline of sport and teamwork. Our aim is to put good people into society. We want to keep costs down for our parent members. We understand there is a huge spectrum of people and earnings, and we don't want that to be a factor in who can or can't play football and exercise. We want everyone to be able to feel like they are a part of something, and they are able to come and make friends. Being a nonprofit organization we rely on support.

We pride ourselves on our professionalism within the community and we also realise the impact we have on local families.

We have children who are currently under the social care system, and we want to continue to offer them a safe and happy place to come and enjoy themselves.

Will this project/event have a positive impact on the environment or biodiversity?

Yes I believe it will get people outdoors and off electrical devices. The impact of running power at home will be reduced because the more we can offer outdoors the better.

We are also trying to keep people fit and healthy which means less consumption at home and less waste.

Total Project/event cost:

£1000.00

Amount requested from this Council:
£1000.00

Is this application for a **ONE OFF** or **ANNUAL** Grant? (See guidance) (Delete as applicable)

We would be so grateful of the support from our town council. We would initially apply for a one off but if there is scope to apply again in the future we would. Every single bit of support is needed to continue this fun outdoor club for our local children.

How will the remainder of the funding be found? Please list any existing funds available, other grant applications and other fund-raising activities. If the application is for an annual grant, then please detail estimated					
funding requirements for	each year.				
We rely on local sponsors from local companies and businesses. Outside of that we must charge an annual membership fee. This has increased this year, and we understand the impact that has on family finances.					
Has your organisation received a Grant from this Council in the last three years?					
NO					
If YES please give details of grant, amount and date awarded.

FALMOUTH TOWN COUNCIL GRANT APPLICATION FORM

PLEASE COMPLETE **ALL** SECTIONS – note that this information will be published as part of the agenda for the meeting at which is considered.

Name of Organisation:

FALMOUTH DOCKS TABLE TENNIS CLUB

Aims of Organisation and nature of its activities:

The Falmouth Docks Table Tennis Club promotes physical health, mental well-being, and community engagement through the sport of table tennis. Our club provides a supportive and inclusive environment where people of all ages and skill levels can enjoy the sport. Table tennis is widely recognized for its benefits, such as enhancing brain function, improving coordination, and promoting mental agility. Research suggests that regular play can delay the onset of Alzheimer's and other cognitive decline. Moreover, the sport builds confidence and teaches valuable life skills like sportsmanship, teamwork, and dedication through competition and hard work.

What facilities do you currently have or what services do you currently provide?

The club operates in an indoor facility equipped with professional-grade table tennis tables and organizes regular coaching sessions, leagues, and tournaments. We engage in community outreach programs to encourage youth participation in table tennis.

Name and purpose of the Project/Event (if applicable):

Outdoor Table Tennis Installation at Falmouth Skatepark.

Describe your project (what do you need the money for?):

We aim to install a durable outdoor table tennis table near the newly completed Falmouth Skatepark. This table will provide an accessible, weather-resistant facility to encourage outdoor physical activity and attract young people to the sport. The funding will be used for:

- Purchasing the table (£2,569), which includes a 10-year warranty and is repairable for 20 years.
- Preparing the installation site (£2,000), 8 by 4 meters concrete base with anchor points.

	How will your project help the residents of Falmouth?					
	This project will expand outdoor recreational opportunities, particularly for young people, fostering community interaction and healthy lifestyles. It will also serve as an outreach platform for the club, offering coaching sessions and tournaments to inspire participation in table tennis. With the proposed location of the table being so close to the club, there will be numerous opportunities for us to engage with and support its users. We have club members, that are trained and certified to work with children, who will be able to provide guidance, encouragement, and training to those who use the table.					
	Will this project/event have a positive impact on the environment or					
	biodiversity?					
	Yes, the project encourages sustainable outdoor activities and reduces the reliance on indoor facilities. The selected table is environmentally friendly, requiring minimal maintenance and resources over its long lifespan.					
Total	Total Project/event cost: Amount requested from this Council:					
	£4,569 £2,284					
	Is this application for a ONE OFF or ANNUAL Grant? (See guidance) (Delete as applicable)					
	One-Off					

<u>Grant</u>	<u>Amount</u>	<u>Date</u>				
If YES please give details of grant, amount and date awarded.						
NO (delete as applicable)						
Has your organisation received a Grant from this Council in the last three years?						
We are actively seeking additional funding from Table Tennis England and other sources. The club will also contribute through internal fundraising efforts and member donations. We are committed to helping fund any necessary repairs in the future.						
How will the remainder of the funding be found? Please list any existing funds available, other grant applications and other fund-raising activities. If the application is for an annual grant, then please detail estimated funding requirements for each year.						

You may attach any other information (no more than one sheet of A4) or images, which you consider may help to support your application

Coast Medic - request for annual grant continuance

2025-2026

£ 1,000

Hi Ruth,

Yes, please we would like to request the grant for this year again please we have some essential maintenance needed on our vehicles and ideally need some more uniform for staff.

We would also love your support to continue for 25-26 if possible, we rely on these donations to ensure our charitable activities can continue and assests such as the ambulance and our ambulance boat continue to allow us to support the local communities.

Kindest Regards

Laura

From: grants <grants@falmouthtowncouncil.com>

Sent: 03 December 2024 13:57

Hello Laura/Luke

Have you sent through your grant claim for 2024/25 yet? I don't recall seeing it and I would like to get this cleared off the accounts.

I will also need to know if you will require the grant to continue for 25/26 – if so please can you write in explaining why and requesting that the Council consider continuing the award.

Many thanks

Ruth Thomas Dip.Inst.LAM

Bosvale Community Association C/O the Dracaena Centre Dracaena Avenue Falmouth TR11 2ES

A.M. Williams Esq Town Clerk Falmouth Town Council The Old Post Office The Moor Falmouth TR11 3QA

22nd November 2024

Dear Mr Williams

Grant Aid 2025/26

I am writing in relation to Falmouth Town Council's continuing support for Bosvale Community Association and we would be delighted if your Council could support the Association with an annual grant of £1000.00 for the year 2025/26.

We would like to share with you that, in addition to 30 or so community bookings for events and parties eys, we have increased the number of core groups using the hall as their base throughout the year. These are:

Carrick Free Baptists, Coastal Connections Disability Disco, Fitta Tikka, Val Rice Dance, Toddler Sense, 1st Falmouth Rainbows, Yoga, Mamma's Circle, Linzi's Fitness, Cornish Dancing, Pilates.

We are extremely grateful for the support you have given us. It has enabled us to keep our hire charges deliberately low to make the premises affordable to everyone in the community.

Yours sincerely

Richard May

National Association of Local Councils Chair's Open Letter January 2025

I wish you all a very happy and prosperous New Year.

My sincere thanks go to everyone working in and with parish and town councils for your hard work, dedication and commitment to continuing to rise to the challenge of improving communities.

As I enter the final year of my term of office as chair of the National Association of Local Councils (NALC), it is my privilege to reflect on a year of many significant outcomes and set out some priorities and challenges for the year ahead.

The past 12 months have been extraordinary. It was the biggest global election year in history, as over half the world's population went to the polls. Closer to home, earlier than expected, the UK general election has highlighted the critical role of community democracy and action in addressing the challenges we face.

Ahead of the general election, I called attention to this potential in my open letter to political party leaders, presenting NALC's manifesto for building stronger communities. This sets out our priorities for the incoming government, including strengthening local leadership by empowering local councils and building their capacity and capability. We also urged the adoption of higher standards in public life in support of our campaign to promote civility and respect.

Our engagement with the previous and now new parliament and government has already yielded success. During the passage of the Levelling Up and Regeneration Act, we secured cross-party support for allowing parish and town councils to meet remotely, clarified funding for places of worship, and significantly raised the sector's profile. Another notable success was extending the Community Ownership Fund to allow direct applications from parish and town councils, who secured £7.6 million. We have also continued to ensure council tax referendum principles are not extended to parish and town councils.

We currently face a pivotal moment as we work with the new government. The challenges confronting us—economic uncertainty, environmental imperatives, and societal inequalities—demand that we seek to strengthen this relationship and partnership.

That is why I have welcomed the recent English Devolution White Paper, which recognises our call for devolution to go beyond mayors and strategic authorities to communities and neighbourhoods. This is where I believe parish and town councils can play a key and bigger role. This devolution revolution, coupled with local government reorganisation in some areas, presents a huge opportunity to nurture neighbourhood governance to ensure its success.

Crucially, the white paper contains a range of proposals for which NALC and our network of county associations have lobbied. These include resetting relations between central and local government and rewiring relationships with principal authorities. Financial reforms such as multi-year settlements and more straightforward, less competitive grant funding. And strengthening the standards regime with sanctions to suspend or disqualify councillors, remote attendance at council meetings, uplifting audit thresholds, and improving support and development for councillors.

I firmly believe this is a real opportunity for us to stake our claim as the community tier of local government, but we must be ready to rise to the challenge.

Parish and town councils and county associations should be on the front foot and engage with principal authorities to ensure your voice and ambitions are heard, particularly in any local proposals for local government reorganisation.

We are already actively engaging with ministers, civil servants, parliamentarians, and others to advocate for greater recognition, respect and support for our sector, particularly to help parish and town councils deliver for their communities.

Ministers have written to me and spoken in parliament about their commitment to working together on the devolution white paper, an offer I am already taking up.

We are also continuing to engage heavily with parliament and the government on the planned National Insurance Contributions (NICs) increase, which will take effect in April. We are working hard to voice your concerns in Westminster and ensure that parish and town councils are fairly compensated for the planned increase, bringing you into line with larger councils and other public sector organisations such as the NHS.

I remain immensely proud of our wider activity and achievements over the last year. We have continued to work in partnership with our network of fantastic county associations and a growing range of partners and other organisations to support parish and town councils. Please read our Annual Report 2023/24, which sets this out in more detail, including how we are improving and extending our services as well as modernising how we work to support parish and town councils and county associations.

In particular, I wanted to highlight the launch of our new website, which is at the heart of our ongoing transformation and reflects our commitment to supporting parish and town councils and county associations with the tools and information they need. Our new website offers a platform that is not only visually modern but also highly functional, making it easier for councillors, clerks and council staff to access resources and stay informed. I strongly encourage all councillors, clerks and council staff members of a parish or town council in membership to create their account, unlocking access to a range of exclusive member benefits such as advice notes, publications, support information, and campaign resources. To learn more about our work, including events such as June's in-person Power Shift 2025 conference), initiatives we support, and the help and advice we can provide, please visit our new website.

As we embrace these opportunities, we will continue our transformation and modernisation journey over the coming year. We will streamline our operations, enhance our digital services, publish an updated edition of Local Councils Explained, gather and use more data, and improve our engagement with parish and town councils, county associations, and partners.

But these changes are not just about keeping pace with the times. They are about future-proofing NALC to ensure we can provide the best possible support for years to come.

Central to our efforts are the partnerships we continue to forge and strengthen. Our collaboration with the Society of Local Council Clerks (SLCC) remains vital in driving professional development for clerks and council staff and embodying high standards of conduct. We are working with organisations across the public, private, and voluntary sectors to bring innovative solutions to local challenges. Bodies such as the Local Government Association, Association of Democratic Services and Lawyers in Local Government will be increasingly important to our work over the coming years. These partnerships amplify our impact and reinforce the idea that we are a sector stronger together and more effective by working together.

However, none of this is possible without people – dedicated councillors who serve their communities. I cannot stress enough the importance of encouraging more people to stand for election. Parish and town councils need representatives from all walks of life to ensure diversity of thought, experience, and perspective. I urge you to reach out to neighbours, colleagues, and friends who might not yet have considered becoming a councillor. This role is an opportunity to make a real difference, to shape the future of your community, and leave a lasting legacy.

But NALC and county associations also need councillors to get involved in our work. We want the best and most talented people possible to step up and provide the necessary leadership to run successful, effective county and national associations. NALC's will hold its elections for leadership roles and committees this December, with the process starting in the summer. I hope councillors from county associations will grasp the opportunity to drive forward the next phase of NALC and our fantastic sector.

As we move forward, I am filled with optimism. The strength of parish and town councils lies in their connection to the communities they serve.

With your continued dedication, the unwavering support of NALC and county associations, and a renewed spirit of collaboration with the new government and the rest of local government, I am confident we can rise to the challenges we face and achieve great things together for our communities and the country.

Thank you once again for everything you do.

Cllr Keith Stevens Chair

T: 0800 022 3505 17 December 2024

Dear investor,

The Local Authorities' Property Fund (the fund) and the implementation of the FCA's Sustainability Disclosure Requirements.

This letter is for your information. There is no need to take any action as a result.

CCLA manages investments in line with its Good Investment philosophy. As an asset manager, our aim is to meet our clients' financial objectives in a way that we believe aligns with their values. We believe we have a duty to go beyond the boundaries of traditional investor engagement and work with the industry to address systemic risks that threaten communities, the environment and ultimately investment markets.

The Financial Conduct Authority (FCA) has recently introduced a package of measures to improve the trust and transparency of sustainable investment products and reduce greenwashing called the Sustainability Disclosure Requirements (SDR). These new measures apply to asset managers, like CCLA, who offer sustainability-related investment products and services.

As part of the implementation of these new requirements we have made a number of amendments to the fund's scheme information. These amendments aim to more clearly set out our approach to sustainability and property investment more generally. We also explain why the fund does not use a sustainable investment label (these are labels introduced by the FCA to help investors find products that have a specific sustainability goal). An extract of the updated section is attached to this letter for your information.

It is important to note that there are no changes to the way in which the fund is managed or our approach to sustainability. The additional detail is for information only, which, we hope, will help investors to better understand CCLA's approach to sustainability and how it applies to property investment.

Do I need to take any action?

No. You do not need to do anything in connection with these changes. The revised scheme information and Key Information Document took effect from 2 December 2024 and are available on our website at www.ccla.co.uk.

We have also published a document on our approach to sustainability (consumer-facing disclosure), which is available on our website. This is a short document required under SDR which contains helpful summary information for investors.

Should you have any queries or require further information please contact our Client Services team at clientservices@ccla.co.uk or by calling 0800 022 3505 between the hours of 8:30am-5:30pm Monday to Friday.

Yours sincerely

Alison Jermey

Head of Client Services

www.ccla.co.uk

CCLA, One Angel Lane, London EC4R 3AB

Extract of scheme information

Approach to Property Investment

The Fund is managed in line with CCLA's approach to property investment which is available at http://www.ccla.co.uk/about-us/policies-and-reports/policies/our-approach-property-investment. This approach outlines our property investment process, from pre-purchase due diligence to the ongoing management and sale of properties held by the Fund.

Sustainability Approach

This product does not have a UK sustainable investment label. Sustainable investment labels help investors find products that have a specific sustainability goal. The Fund does not use a sustainable investment label because it does not have a sustainability goal. However, the Fund is managed in accordance with values-based restrictions. As such, properties whose tenants meet the following restrictions are not eligible to be purchased for the Fund:

- **Oil and Gas Extraction:** deriving more than 5% of revenue from the extraction of tar sands and/or generating more than 10% of revenue from the extraction, production and/or refining of oil and/or gas.
- **Thermal Coal Extraction:** deriving more than 5% of revenue from the extraction of thermal coal and/or producing more than 10 million metric tonnes of coal (or have plans to expand coal production).
- **Tobacco:** having any involvement in the production of tobacco.
- **Controversial Weapons:** having any involvement in the production of Controversial Weapons (core weapons and components). These are defined as landmines, cluster munitions, chemical and/or biological weapons.

These restrictions are applied based upon data points selected by CCLA and in accordance with our values-based screening policy which sets out our approach for implementing restrictions across different asset classes and investment structures.

We continue to apply the Fund's values-based screens post investment. Where possible we review new tenants against the Fund's criteria and seek to avoid entering into leases with businesses that conduct activities that are proscribed by the Fund's values-based screens. However, as per standard practice in property investment management, we do not include restrictive clauses within the leases that are granted to tenants as they significantly impact upon the economic value of the asset. This means that existing tenants can pass on their lease to another business without our approval. For this reason, it is possible that, post-acquisition, a property can move into a position where it is no longer in compliance with the Fund's values-based screens.

The full values-based screening policy is available on our website at http://www.ccla.co.uk/about-us/policies-and-reports.

Recognising the importance of restrictions to Unitholders the Manager will perform a quarterly review of the Fund's tenants against the above restrictions, report on the number of tenants in and out of compliance and comment on any action taken or to be taken as a result of non-compliance. The number of new leases or sub-assignments that have been approved (or not) against the above restrictions will also be reported.

Please note. If you would like to receive a hard copy of any of the documents referred to above, please contact our Customer Services team.
