Dear Sir/Madam

Falmouth Town Centre Gateway Improvements

Cormac Solutions Ltd on behalf of Cornwall Council is inviting comments on proposals improve the effectiveness of the Pedestrian and Cyclist Zone on Market Street/Church Street, Falmouth.

To amend this traffic restriction an ETRO trial was put in place in May 2021 (subsequently made permanent in 2022). To support compliance with the trial marshals were provided, however funding for marshals came to an end in February 2022 and there have been complaints about a rise in vehicles now entering the high street during the Pedestrian Zone restricted hours. To address this issue it is proposed to implement the following:

- To improve compliance, relocate the rising bollard currently positioned on Church Street the gateway to the restricted area (at the start of Market Street).
- Gateway features to improve the overall aesthetic of and emphasise the gateway to Market Street and the town centre. Installing of new signage, lining and a blended pedestrian crossing.

Please see attached plan for details.

If you have any comments to make on the proposals, I would be grateful to receive them no later than:

Thursday 5th October 2023
