EXPLANATORY FOREWORD

In accordance with Section 6 of the Local Audit and Accountability Act 2014, an authority is a 'smaller authority' if the higher of the authority's gross income for the year and its gross expenditure for the year does not exceed £6.5m. This Council is therefore a 'smaller authority'.

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the systems of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts and it should;

- Complete the Annual Return after 31st March 2023 as set out in 'Governance and Accountability for Smaller Authorities in England (the Practitioners' Guide)' published by the Joint Practitioners Advisory Group (JPAG) (2022) in the form requested by proper practices. This Comprises the:
 - Annual Governance Statement (Section 1 of the Annual Return);
 - Accounting Statement (Section 2 of the Annual Return);
 - External Auditors Report and Certificate (Section 3) and

- Approve the Accounting Statements at the meeting of the full authority (minuted, signed and dated by the Chair on the day of approval); the Annual Governance Statement and the Accounting Statements can be considered and approved at the same meeting so long as it is clear from the minute references that they were approved in the right order.
- Publish on a public website the approved, signed, and dated statements, to allow for the date of commencement for the exercise of public rights to cover the first 10 working days of July. It must publish the:
 - Annual Governance Statement
 - Accounting Statements
 - Declaration that the statement of accounts is un-audited.
 - Notice of commencement of the period for the exercise of public rights.
- Send the Annual Return and working papers to the external auditor for Limited Assurance review as soon as approved.

Following completion of the Limited Assurance review the Council shall;

- publish the certified Annual Return (including any continuation pages of the External Auditor Certificate and Report) by 30th September 2023 alongside a Notice of Completion of the Limited Assurance review.

The Council is required to provide additional information to enable the external audit of the Annual Return and this document includes this information. They consist of:

Variations in the budgeted and actual income are in the main due to; the continued provision of a public entertainment space at the Princess Pavilion, Falmouth. In May 2022 the Council resolved to transfer the operations to a fully delivered in-house model with the staff transferring from the previously delivered social enterprise/partnership model. This has enabled growth and increased revenue over budget of £511k and; partnership and grant funding towards the heritage conservation of the 'Ponsharden Cemeteries' site £250k.

Under Section 137 of the Local Government Act 1972 the Council can spend up to £8.82 per head on the electoral role in the 2022/23 municipal year for the benefit of people in the area on activities or projects not specifically authorised by other powers. There were 16,662 registered electors (FED 23), giving a sum permitted of £146,958.84.

In addition, £12,500 was released to the Falmouth Festival Fund as match funding and the Council made the following organisational grants to further partnership working and meet the shortfall where other funding sources have been withdrawn; Visitor Information Centre £8,000; Dracaena Centre Youth Development £20,000; Falmouth Shuttle Bus Service £10,000; Falmouth Twinning £1,500. Councillors also hold a small Community Chest fund which can be awarded to projects of their choice £4,000 (£250 each)

The move to an in-house provision of services at the Princess Pavilion and Gyllyngdune Gardens site has significantly increased both income (£432k) and expenditure (£552k). Staff transferred to the Council in May 2022, growing the number of employees across from Council from 37.24 (FTE Jan 22) to 73.08 (FTE Jan 23).

Activities onsite have returned to and often exceeded pre-pandemic levels, (the Council does not have access to the data however the site is known to us, with the previous operator discussing alternative uses prior to the pandemic) supported by a diverse range of community and commercial use. Income potential is closely monitored, and future scheduling will further increase income potential and so reduce the level of funding required. Bar provision moved to an inhouse model in October 2022 with the increase in takings impacting positively on income.

Income is increased due to the return of tenants and the provision of a new venue space. The figures from the previous year included the Princess Pavilion data which is now held in its own cost centre; this accounts for the variation between figures.

The Council continues to provide FOC public conveniences. The national energy crisis has impacted on utility costs and inflation on the cost of consumables. A Grant of £40k has been received towards the Council's ambition to provide a 'Changing Places' toilet facility in town; currently awaiting site preparation works required from Openreach.

13. **CAPITAL EXPENDITURE**

The Council, aware of the 'cost of living crisis', instructed non urgent capital works to be held back resulting in a reduction in capital spend from £181k (2021/22) to £94k.

 - have requested a limited assurance review (fee payable)

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return 2022/23

1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 **must** complete Form 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with *Proper Practices*.
2. **The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:**
 - The **Annual Internal Audit Report must** be completed by the authority's internal auditor.
 - **Sections 1 and 2 must** be completed and approved by the authority.
 - **Section 3** is completed by the external auditor and will be returned to the authority.
3. The authority **must** approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both **must** be approved and published on the authority website/webpage **before 1 July 2023**.
4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, **must** return to the external auditor by email or post (not both) **no later than 30 June 2023**. Reminder letters will incur a charge of £40 +VAT:
 - the Annual Governance and Accountability Return Sections 1 and 2, together with
 - a bank reconciliation as at 31 March 2023
 - an explanation of any significant year on year variances in the accounting statements
 - notification of the commencement date of the period for the exercise of public rights
 - Annual Internal Audit Report 2022/23

Unless requested, do not send any additional documents to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed the limited assurance review and is able to give an opinion, the Annual Governance and Accountability **Section 1, Section 2 and Section 3 – External Auditor Report and Certificate** will be returned to the authority by email or post.

Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2023 authorities **must** publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- **Section 1 - Annual Governance Statement 2022/23**, approved and signed, page 4
- **Section 2 - Accounting Statements 2022/23**, approved and signed, page 5

Not later than 30 September 2023 authorities **must** publish:

- Notice of conclusion of audit
- **Section 3 - External Auditor Report and Certificate**
- **Sections 1 and 2 of AGAR** including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2022/23

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2023.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- **You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not **fully** explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2022) equals the balance brought forward in the current year (Box 1 of 2023).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2023**.

Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of

ENTER NAME OF AUTHORITY

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/> .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2022/23

(Except for the matters reported below)* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

3 External auditor certificate 2022/23

We certify/do not certify* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
